

How to post on the blog:

1. Click on "add a comment" under the problem of the week.
2. It will come up with "leave a reply" and ask for your information.
3. All you need to put in is your name and your comment! (You DO NOT need to put in website or email)

Blog Requirements

1. Every Monday I will post a "Question of the Week." You must respond to this question by Friday at 3:30.
2. These responses are not necessarily graded on the correct answer, but on the effort shown towards finding the correct answer.
3. If you do get the correct answer, I will give extra credit.
4. You may use this blog to collaborate with each other on homework.
5. ***ALL POSTS MUST BE APPROPRIATE AND RELATED TO THE PROBLEM. There should be no posts unrelated to class topics.***

Failure to follow these blog procedures will result in an office referral.

Blog Grading Rubric

	4	3	2	1
Effort	Post shows exceptional effort toward solving the problem	Post shows good effort was put forth but not 100%	Post shows mediocre effort but lacks detail	Post shows no effort towards solving the problem
Topic Related	Post is completely relevant to the problems asked	Post is mostly related to the topic	Post is somewhat related to topic	Post is not related at all to topic
Key Concepts Addressed	All key concepts are addressed clearly and accurately	Most key components are addressed but not complete correct	Some key components addressed but mostly incorrect	No key components addressed
